

## SHEVS Control Centre *RWZ 5*

Certified

High output power

Multi-group control centre

Different variants available

|  |   |
|--|---|
| Supply   | 230 V~/50 – 60 Hz   |
| SHE groups                                       | Max. 2  |
| Ventilation groups                               | Max. 4  |
| Internal supply voltage                          | 24 V $\overline{\text{---}}$ /72 h in case of mains failure |
| Enclosure  | Sheet steel   |
| Environmental class 1/III (EN 12101-10/VdS 2581) | -5 °C ... +40 °C  |
| Relative humidity                                | 20 % – 80 %   |
| Protection rating                                | IP30  |
| Dimensions (W x H x D)                           | 430 x 525 x 185 mm  |

This certified multi-group control centre is available in four variants with different output voltages and output currents.

| Type           | <i>RWZ 5f-20</i>                           | <i>RWZ 5f-40</i>                           | <i>RWZ 5f-10-48V</i>                       | <i>RWZ 5f-20-48V</i>                       |
|----------------|--|--|--|--|
| Part number    | 8100 5620 1000                             | 8100 5640 1000                             | 8100 5610 1100                             | 8100 5620 1100                             |
| Output current | 20 A (24 V $\overline{\text{---}}$ /480 W) | 40 A (24 V $\overline{\text{---}}$ /960 W) | 10 A (48 V $\overline{\text{---}}$ /480 W) | 20 A (48 V $\overline{\text{---}}$ /960 W) |

Accumulators (AGM, VRLA),  
VdS approved

2 x 12 Ah/12 V

2 x 17 Ah/12 V

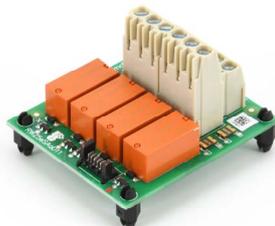

2 x 12 Ah/12 V

2 x 17 Ah/12 V

## Accessories

Option PKM

Option PK-SA

Option WRM

Option WTM
